PROJECTS

COMPLETE SEO SERVICE IN NOORA VITA B2B WEBSITE

Link: <https://seosolutionx.com/single-portfolio/>

B2B SEO AND PERFORMANCE GROWTH FOR NEVE CORPORATION

COMPLETED For B2B industrial provider Neve Corporation. I implemented an SEO strategy to rank high-value traffic. I optimized technical product pages ('Ricardo Diesel Generators') and core service pages, achieving Rank Math scores up to 100/100. This data-driven approach led to remarkable performance growth in a single month: clicks doubled to 5.8K, impressions soared to 204K, and the average Google ranking improved dramatically from 35 to 11.8, positioning the site for first-page dominance.

GOOGLE RANK FOR "LOVE STORY" FULL SEO CASE STUDY

COMPLETED:

My task was to help the creative writing website Boitalash attract organic readers. I performed detailed on-page SEO on their horror and romance stories, achieving scores of 100/100 and 91/100 in Rank Math.

This focus on technical excellence produced the best possible outcome. The page ranks 1st on Google for the high-volume keyword: "Love Story". This case study shows how I turn optimization into top-ranking results.

DRIVING SEO GROWTH FOR INTENTOR ARCHITECTS IN DHAKA

COMPLETED:

This project involved building an SEO presence for Inventor Architects from the ground up. Starting with a baseline of just 1 click and 29 impressions, I executed a targeted on-page and local SEO strategy. I optimized key content for B2B ('Office Design') and niche local topics ('American Interior Design in Dhaka'), achieving scores up to 100/100 in Rank Math. This campaign successfully boosted visibility, growing traffic to 66 clicks and 1.46K+ impressions, and improved the average ranking to 19.5, demonstrating significant growth.

COMPLETE SEO FOR IN-ART STUDIO: CONTENT OPTIMIZATION RANK ON GOOGLE

COMPLETED

In this project, I implemented a comprehensive on-page SEO strategy for "In-art studio." My primary focus was to fully optimize their website for search engines and increase organic traffic. I created and optimized content based on key topics such as kitchen, Bedroom, and Office interior design. Using the Rank Math Tool, I ensured a perfect 100/100 score for each article. As a result of this strategy, the 'In-art studio' website successfully secured a spot on the first page of Google, significantly improving its online credibility.

DRIVE #1 GOOGLE RANKINGS FOR BANGLADESHI BRANDS INTROS SPACE

COMPLETED

This portfolio showcases my work across various industries in Bangladesh, from e-commerce to interior design. My core strategy involves meticulous on-page SEO. Where I consistently achieve perfect 100/100 optimization scores in Rank Math. This foundational excellence has led to top-tier results, including securing the #1 Google ranking for a client on the competitive keyword " top thermal design trends in Bangladesh." My campaigns drive significant traffic, with one project generating over 162K impressions and 4.3K clicks in just 3 months.

ACHIEVING FIRST PAGE GOOGLE RANKINGS FOR DWLBD

COMPLETED

For DWLBD, I developed and executed a 6-month full-funnel SEO campaign to establish brand authority and drive organic leads. The strategy involves optimizing high-intent commercial pages and informational blog posts, including local SEO targeting. This

comprehensive on-page effort led to outstanding results. The website secured a strong first-page presence on Google with an average search position of 7.6, generating over 766k impressions and 14.6k clicks.

SEO CASE STUDY: DRIVING GROWTH FOR INTERIORPOINT BD

COMPLETED:

Developed a comprehensive on-page SEO strategy for InteriorPoint BD to enhance their online authority. I optimized long-form articles (2500+ words) for competitive keywords like 'Home Interior Design,' achieving scores up to 95/100 in Rank Math. This data-driven approach successfully boosted their visibility, driving over 109K impressions and 2.9K clicks in one month and establishing a strong foundation for long-term organic growth

FULL SEO ON KAZI LAW CEMBER

Successfully completed full on-page and off-page SEO for the Kaizi Low Chamber website. Optimized technical SEO, fixed indexing issues, and implemented keyword research strategies. As a result, the website achieved higher Google rankings and improved online visibility, driving more organic traffic and potential clients.
